Reading Questions

Do you ever ask your child what they've done in school and you get told "nothing" or "I can't remember"?
Well, we do teach them... promise.
To try to help with this, each week we will pose a question for you to ask your child too get the conversation going about what the children have been reading in class.

What secret do you think Grover has been keeping from Percy Jackson?	Would you like to visit the country of Malawi after reading about it? Why/why not?
