1. Foreword

Rochdale MBC aims to be recognised as a leader of diversity and equality in its work and as an example of good practice in the delivery of services and employment. This Single Equality and Community Cohesion Policy for Rochdale's schools reflects this ambition and outlines the activities which will deliver this.

Equality of opportunity and social inclusion issues will ensure that all school communities can truly benefit from and contribute to the improvements we are making, which will bring long-term and positive benefits for Rochdale Borough. Therefore the school's Single Equality and Community Cohesion Policy will require ownership by Governors, senior leaders, all staff, the school community and the pupils in order to succeed.

This policy serves essentially two purposes:

1. To set out a school's overall commitment to equality and community cohesion in one central document for past, present and prospective pupils. The Policy therefore contains the school's approach to all relevant protected characteristics of: **Disability, Gender, Gender reassignment, Pregnancy and maternity, Race, Religion or Belief, Sexual orientation**; and
2. How the school will manage, plan and include its Single Equality and Community Cohesion Policy within its day to day work.

Schools also have obligations as employers and a service provider against the protected characteristics of Age and Marriage and Civil partnerships. These obligations are not covered in this framework as this policy is concerned with a school's obligations to its pupils (mainly present and prospective pupils and where relevant former pupils and staff).

Separate policy guidance covering recruitment and employment is available from Schools Personnel team and the Local Authority.

This Single Equality and Community Cohesion Policy will help schools ensure that they focus more on the outcomes that matter to pupils, community and people who use their services; and that their services are more accessible and delivered effectively. This policy provides a framework for the school to **eliminate prohibited conduct, advance equality of opportunity and foster good relations** in a proactive way.

The Single Equality and Community Cohesion Policy is based on the Equality Act 2010.

Much of what is required of schools is already being carried out by them. The main new provisions in the Equality Act 2010 are:

- new disability discrimination provisions (direct disability discrimination, indirect disability discrimination and discrimination arising from disability)
- new protected characteristics:
- new positive action provisions

Schools had a "specific duty" to publish information around their equality objectives in an accessible manner in April 2012.

Finally, as schools are already aware, avoiding discrimination and promoting equality supports the agenda of improving attainment and progression for all pupils. Good

education and skills are crucial for opening up opportunities and increasing the chance of a successful life. Furthermore, Equality and Community Cohesion is a 'limiting judgment' in OFSTED inspections and need to be considered at all times.

2. Introduction

There were a number of statutory duties that the school was required to meet prior to the Equality Act 2010. As such, with the implementation of this act and the harmonisation of previous legislation, this policy will refer to the Equality Act 2010 and its various provisions as the legislative framework through which this Single Equality and Community Cohesion Policy will operate.

In the development of this Single Equality and Community Cohesion Policy **St Gabriel's RC Primary School** has moved from a focus on an individual response to an approach that builds on **disability, gender, gender reassignment, pregnancy and maternity, race, religion or belief and sexual orientation** considerations from the start and at every level of the school, at strategic, policy, management and classroom level. We will demonstrate what we have done and what we plan to do to improve opportunities and outcomes for pupils, staff, parents and other users of the school. This policy will be monitored and delivered through the governors' role, School Improvement and Self Evaluation process.

We will ensure that every pupil irrespective of the protected characteristics is able to achieve high standards and that strategies are in place to tackle under-achievement. We will ensure that every pupil has access to the necessary support required to enable them to achieve their highest potential. We will ensure that the school's procedures for disciplining pupils and managing behaviour are fair, effective and equitable.

Our intention is to ensure that the adults working or volunteering in the school include as much as possible a balanced representation of the local and wider community. We believe that this will provide good role models for pupils from all backgrounds.

St Gabriel's RC Primary School sees this Single Equality and Community Cohesion Policy as a living document and we will continuously review the policy in consultation with pupils, staff, parents, carers, governors and all other stakeholders where possible. We believe they need to be involved from the very start and their involvement will inform the preparation, development, publication, review and reporting of the policy and action plan to ensure that we meet the needs of people from different backgrounds.

Structure of our Single Equality and Community Cohesion Policy

This policy document is designed to give a background to St Gabriel's RC Primary School in respect of the protected characteristics in both education and service provision.

Recruitment and employment issues with regard to staff may be referenced but these will be covered in more detail under separate policy.

Therefore, we have set out below:

- The definitions in respect of each of the protected equality characteristics
- Our commitment for each of the protected equality characteristics

We have then set out our key approaches and tools to help us achieve these aims including:

- Our consultation and involvement strategy
- Our commitment to Equality Impact Assessments
- Our accountability processes for the policy
- Our commitment to publication and public access
- Our monitoring and review processes

3. Specific Equality Areas

Disability

What do we mean by Disability Equality?

We recognise that a person has a disability if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities.

Our commitment

St Gabriel's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their disability.

This Single Equality and Community Cohesion Policy incorporates our commitment and actions on disability equality. It demonstrates our commitment to addressing disability equality in our decision making and the delivery of education.

We are committed to promoting equality of opportunity for disabled pupils, staff and other users of our services so they can have equal access to all our school and its services. This policy is a statement of our commitment and shows clearly how we will work over the next three years to achieve our goal.

We will continue to review our policies, practices and procedures so that they do not adversely affect anyone because of their disability. By also building this into our curriculum, working and procurement processes we will expect others to do the same.

Gender

St Gabriel's RC Primary School is not a single sex school.

What do we mean by Gender Equality?

We recognise that a person's gender refers to the fact that they are male or female. In relation to a group of people, it refers to either men or women or to boys or girls.

Our commitment

St Gabriels's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their gender.

We recognise that stereotypes exist for both genders and some can lose opportunities because of these stereotypes and welcome the requirements of the Equality Act 2010 with specific provision for Gender Equality and we will give due regard to the need to:

- Eliminate unlawful discrimination and harassment on the grounds of gender, including domestic violence, sexual violence, bullying and exploitation.
- Promote equality of opportunity between women and men in all of our functions.

Gender Reassignment

What do we mean by gender reassignment?

We recognise that a person may express their gender in a way that differs from or is inconsistent with the physical gender that they were born with.

Our commitment:

St Gabriel's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because they propose to undergo, are undergoing or have undergone gender reassignment.

We understand gender reassignment does not necessarily require a medical process to be undertaken and that a person will be protected because of gender reassignment if they:

- Make their intention known to someone at the school
- Start to behave or dress according to the gender they identify with
- Undergo treatment such as surgery or hormone therapy
- Have already received gender recognition under the gender recognition act 2004

The school will also respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within its school community.

Pregnancy and Maternity

What do we mean by pregnancy and maternity?

Treating a woman (or a female pupil of any age) less favourably because she is or has been pregnant, has given birth in the last 26 weeks or is breastfeeding a baby who is 26 weeks or younger.

Our commitment:

St Gabriel's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their pregnancy or maternity.

We will also seek to make arrangements for female pupils or staff to ensure that they are not treated less favourably because they are pregnant or breastfeeding.

We will not discriminate against staff in absences related to pregnancy and maternity.

Race

What do we mean by Race Equality?

The school adopts the definition of Race as outlined in the Equality Act 2010 as one of the protected characteristics which refer to a group of people defined by their race, colour, and nationality (including citizenship) ethnic or national origins.

Our commitment:

St Gabriel's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We recognise that race discrimination, harassment and victimisation may be experienced by all in a number of ways, including day-to-day interaction with fellow pupils, staff and visitors.

The School also recognises that Black, Asian and Minority Ethnic pupils and staff may experience discrimination on the basis of race, colour, nationality and ethnic origin. This discrimination can manifest itself in all areas of their lives and can have serious consequences in terms of damaging people emotionally and physically and limiting life choices and opportunities.

The school and governing body does not tolerate any form of race discrimination which it recognises is unacceptable, discriminatory and unlawful, and is proactive in ensuring that people whatever their race, are treated fairly.

We will comply with the requirements of the Equality Act 2010 with regard to Race Equality.

Sexual Orientation

What do we mean by sexual orientation equality?

The school uses the definition as outlined in legislation as sexual orientation meaning a person's sexual orientation towards:

- persons of the same sex
- persons of the opposite sex, or
- persons of either sex

The school extends the definition of this protected characteristic of sexual orientation to include:

- references to a person who is of a particular sexual orientation, or
- references to persons who share the same sexual orientation

Our commitment:

St Gabriel's RC Primary School is committed to promoting an ethos that safeguards the dignity and wellbeing of everyone and encourages practices that take into account the rights of individuals to be treated with dignity and respect. We will not tolerate any form of discrimination, harassment and victimisation directed at anyone because of their sexual orientation.

The School will combat discrimination faced by lesbians, gay and bisexual (LGB) people. We want to ensure equality of opportunity for LGB people across our curriculum provision, services and employment.

We will respect the rights of individuals to be open about their sexual orientation, tackle homophobia, challenge stereotyping and improve knowledge about LGB communities, both internally and to the community as a whole.

The school recognises the need to protect pupils and staff from unlawful discrimination and harassment on grounds of sexual orientation as required by the Equality Act (Sexual Orientation). We are committed to taking a pro-active approach to preventing all forms of homophobia within the school and will assess the impacts of our policies, functions and procedures on promoting sexual orientation equality as part of our Equality Impact Assessment processes.

We will deal with complaints of discrimination and harassment speedily and according to Local Authority Guidance and notify complainants of the outcome and actions taken.

4. Community Cohesion

What do we mean by Community Cohesion?

St Gabriel's RC Primary School adopts the Department for Education definition of community cohesion to mean working towards a society in which:

- There is a common vision and sense of belonging by all communities the diversity of people's backgrounds and circumstances is appreciated and valued
- Similar life opportunities are available to all, and
- Strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."

Our commitment:

For a number of years, we have been committed to promoting community cohesion as part of the response to the legal duties outlined in previous legislation.

We understand that Community Cohesion is the process that should happen in all communities to ensure that different groups and individual people get on well together. It should also allow for new communities and existing communities to adapt and integrate with one another.

The school will promote community cohesion within a number of dimensions including:

- the school community
- the Parish community
- the community within which the school is located
- the community of Britain
- the global community

We will evidence our effectiveness for OFSTED by demonstrating:

A widely shared sense of the contribution of different communities to a shared vision-

- A strong sense of individual rights and responsibilities within the school community.
- That all children and parents feel they are being treated fairly and have the same opportunities.
- That children trust the school to act fairly.
- We have strong and positive relationships.

Safeguarding & Building Resilience – “Learning together to be safe”

St Gabriel’s RC Primary School is fully committed to safeguarding the welfare of all children and young people by taking all reasonable steps to protect them and build resilience in accordance with the DfE guidance – *Keeping Children Safe in Education* (Sept. ’24).

This commitment is in line with our school’s current Safeguarding and Child protection policies and applies to all adults, including volunteers, working in or on behalf of the school.

We recognise that some young people, who are vulnerable to extreme views, may find it difficult to develop a sense of self-worth and to view the world in a positive way. We also recognise that their behaviour may be challenging at times, and that some may cause offence or harm to others.

We will therefore always take a considered and sensitive approach in order that we can support all of our pupils by:

- providing a safe environment for children and young people to learn and develop in our school setting, and
- identifying children and young people who are particularly vulnerable to extreme views / radicalisation, and taking appropriate action in accordance with the schools Safeguarding procedures with the aim of making sure they are kept safe both at home and in our school setting.
- making appropriate referrals to the Local Authority for early intervention and support where necessary
- ensuring that staff member(s) or governor(s) responsible for safeguarding are kept fully aware of their responsibilities, by attending relevant training and briefings
- letting staff, parents and pupils know how to voice their concerns
- responding to any allegations appropriately in accordance with appropriate school policies and procedures.

5. Consultation and Information

We recognise that our Single Equality and Community Cohesion Policy is a public document that should be available to any interested stakeholder.

Specific Duty

Under the Equality Act 2010, we recognise as a school, we also have a “specific duty” to:

1. Publish sufficient information to demonstrate compliance with the general equality duty every four years, with an action plan review on at least an annual basis. This can include information on the effect that our school policies and practices have on protected groups.

We will also

2. Prepare and publish equality objectives in an accessible manner, to meet one or more aims of the general equality duty, and supporting the local authority in publishing relevant information to demonstrate compliance where necessary.

The Single Equality and Community Cohesion Policy will be made aware to all staff. It will be placed on the school intranet site with other school policies.

A link will be made on the school website so that parents can have access to the policy

6. Monitoring and evaluating the Single Equality and Community Cohesion Policy

We will regularly monitor and evaluate the implementation of our Single Equality and Community Cohesion Policy Action Plan. We will report on our progress and performance. Our report will be shared with Governors and our School Improvement Partner. We will inform staff and pupils of our progress.

The findings of our monitoring and evaluation will be used to update the Single Equality and Community Cohesion Policy Action Plan and inform subsequent Equality and Community Cohesion Policies

We want this Single Equality and Community Cohesion Policy to be a 'whole organisational' document that drives forward equality and achieves improved outcomes. We will therefore ensure that the Action Plan is an integral part of our School Improvement Plan, and as such, our progress will have regular oversight by the senior leadership team and the governing body.

Information and data, both quantitative and qualitative, will be used to monitor and evaluate the implementation of the action plans including information on the school population, workforce recruitment, retention and progression, special initiatives, progress at key stage levels and targets and future plans will be reported on to ensure effective monitoring.

We will formally review, evaluate and revise this Single Equality and Community Cohesion Policy at least every three years, to set new priorities and identify new actions. This process will again involve staff, pupils, parents and governors who reflect the full diversity of the school community.

The school has a procedure in place for recording, reporting and responding to racist incidents. The school will continue to comply with the Local Authority procedure for monitoring racist incidents so that the information can be analysed. This procedure is outlined fully in the *guidelines for schools in combating and recording racist incidents*.
