

English

In English we are going to be reading a range of books linked to our topic of 'explorers'.

We are going to focus on embedding Year 2 punctuation and grammar in our writing.

Also we are going to continue developing the skill to be able to edit independently.

Maths

In maths this term we are going to continue looking at different units of measurements and being able to compare them. We will then be consolidating the children's learning through problem solving activities.

Religion

In RE we are going to be exploring how networks of friendships and relationships enable humans to live together. We are going to be focusing on reconciliation and forgiveness.

PSHE

In RSE this term we are looking at how we can be safe, the difference between good and bad secrets, physical contact and harmful substances.

Computing and E-safety

We are zoologists— we will be going on a bug hunt, recording and identifying the small animals they find. They then organise the data they have collected and interpret the graph to answer questions about the animals.

PE

In PE this term we are going to focus on the sequences of actions and skills in different orders in order to improve performance through a range of invasion games.

Year 2

Summer

2

Homework

!10 spellings a week which will then be tested on Friday

Number bonds/ times tables practise

Maths homework based on what we have been learning that week

Reading their books 3 times a week

Science

This term we are going to be focusing on 'working scientifically'. We will be conducting a variety of experiments whilst recording and gathering data from our investigations.

Wider Curriculum

Our topic for this term is 'explorers' We are going to be focusing on the significant individuals Amelia Earhart and the Wright brothers. In D&T we will be focusing on using slider and levers.

Thank you for all your help and support!
