

English

At the beginning of Summer 1 we will be reading 'the lumberjack's beard' alongside the rest of the school and working on writing for different purposes.

After this, we will be reading a variety of books linked to space. In writing we are continuing to practise writing coherent sentences and being able to edit our sentences when/if needed.

Maths

In maths this term we will be working on consolidating the children's learning of previously taught concepts. We will then be progressing onto length and height then position and direction.

Religion

In RE we will be looking at the way we live our lives, the way we treat others and how our words and actions show if we have an attitude of service.

PSHE

In RSE this term we are looking at how we can be safe, the difference between good and bad secrets, physical contact and harmful substances.

Computing and E-safety

In computing this term the children will be looking at how algorithms work. Then they will make their own scratch programme linked to space.

E-safety- we are going to recap private information.

PE

In PE this term we are focusing on developing dodging and defending skills through invasion games, in particular we are focusing on the zig zag skill.

Year 2

Summer

1

Homework

10 spellings a week which will then be tested on Friday

Number bonds/ times tables practise

Maths homework based on what we have been learning that week

Reading their books 3 times a week

Science

Our topic for this term is 'plants'. We are going to be investigating the requirements plants need to survive and observing how seeds turn into plants.

Wider Curriculum

Our topic this term is 'space' We are going to be looking at significant individuals such as Neil Armstrong and Tim Peake. In D&T we are going to design and make a rocket. In art we are going to make a space themed collage.

Thank you for all your help and support!
