

English

This term we will be reading a variety of books linked to journeys and China. We will be particularly focusing on expanding our sentences using subordinating and coordinating conjunctions. Plus we will be looking at using commas to write a list linked to our writing outcomes.

This term we will be concentrating on our understanding of the stories we read focusing on our vocabulary, retrieval, inference and prediction skills.

Maths

In maths we are going to explore how to multiply and divide using concrete and pictorial representations. We will then progress onto exploring simple statistics which will link with our science investigations.

Religion

In RE we will be looking at how our experience of community is essential and enjoyable for people of every age and faith.

PSHE

In RSE this term we will be exploring our relationships with others and build upon the understanding that we have been created out of love and for love. We will look at strategies for developing healthy relationships and keeping safe.

Computing and E-safety

We are photographers!

We will be taking pictures of our local area and editing their accordingly.

We will continue looking at being safe online.

PE

This term we are focusing on being able to jump for height and distance which we will achieve through gymnastics.

Year 2

Spring term 1

Homework

!10 spellings a week which will then be tested on Friday

Number bonds/ times tables practise

Maths homework based on what we have been learning that week

Reading their books 3 times a week

Science

Children will be working on the topic of 'living things and their habitats.' We will be identifying living things, non living things and their habitats. We will also be exploring how living things depend on their habitat for survival.

Wider Curriculum

In wider curriculum we will be looking at China and our local area. We will be comparing the 2 locations in relation to their location, climate and weather, landmarks and life in Beijing. We will also be looking into traditions in China, such as Chinese New Year. In D&T we will look at understanding where food comes from. In art we are going to practise our drawing skills to design a willow pattern.

Thank you for all your help and support!
