

English

In Autumn 2, we will be reading a variety of books which link with the Great Fire of London with different writing outcomes linked to different purposes. We are going to focus on proof reading our work to check it makes sense and edit it accordingly. During this term, we are going to build up our stamina for writing and work on including coordinating conjunctions and sentence openers.

Maths

In Maths, we are going to continue working on addition and subtraction using concrete objects then progressing to using the column method. We will then focus on applying these skills to problem solve. Following this, the children will then focus on money where we will focus on finding different combinations to make up a total of money.

Religion

In RE we are going to look at 'preparation' linking to the season of Advent to develop the understanding that gifts received or given are a symbol of love.

PSHE

In RSE we will be looking at what makes us unique, what makes girls and boys different, what it means to be clean and healthy and the cycle of life.

Computing and E-safety

In computing we will be looking at how computer games work.

In relation to e safety, we will be looking more closely at private information including positive communication and private information.

PE

This term in Year 2 the children will be working closely with the Manchester United coach. The skill they will be focusing on is hopping along a straight line using one foot. The children will incorporate this skill with dance.

We will also be identifying the importance of our senses and explain how they help us.

Year 2

Autumn 2 Term

Homework

10 spellings a week will be given every Friday in preparation for a test the following Friday,

Number bonds/ times tables practise linked to your child's maths badge they are working towards.

Reading their books daily.

Science

This term in science we are focusing on the uses of everyday materials. We will be focusing on working scientifically to compare the uses of everyday materials in and around school. We will also be looking more closely at how some materials can be used for more than one thing.

Wider Curriculum

Our topic for this half term is 'Great Fire of London' Within this topic we will be focusing on sequencing significant events beyond our working memory, looking at significant individuals and interpreting what life would have been like in the 17th century.

In art we will focus on creating a firework display using pastels and creating a textured collage to show a scene of the fire. In D&T we will design and make 3D buildings in the style of houses in the 17th century.

Thank you for all your help and support!
