British Values and Diversity	In the Autumn term we spend a lot of time celebrating ourselves. We learn that we are all different, unique and amazing. We also embed the school rules and the important reasons for this.		Diversity – Marcus Rashford – Helping others	Throughout the year British Values can be seen in practice such as taking votes for a book/film/activity choice, learning to take turns and follow the schools rules.		
Eco Schools	We learn to look after our school and the environment we are in from the beginning of the year. As the year develops we look at taking care of living things such as plants in our garden and taking part in the 'living eggs' hatching chicks.
